## Around the Grounds.....

### President Dennette Resigns

- Thank you Dennette for your service as SRI President. Stepping into a new and challenging position can be overwhelming. Your guidance helped us succeed with last summers LFMTR Trail Ride and Rodeo. Your help keeping SRI on track is much appreciated. Wishing you some much needed horsin' around time.

As a result of Dennette's resignation, Stacey Anderson will be the President and Emily Pendergrass Vice President.

Thank you Ladies

### Arena Project—

The arena resurfacing project is underway! Remember the grounds are closed until the project is complete.

Please Lock! the **contestant gate**, the main gate and the bathrooms even if you didn't open them!

### The Rodeo won't go

#### on....for 2017

The SRI Board of Directors has decided to cancel the 2017 SRI Rodeo. The event requires a chairperson and a LOT (and I mean a LOT) of volunteers. Without a chairperson the task of coordinating the rodeo is nearly impossible. This change will allow ample time for a FANTASTIC SRI Rodeo in 2018.
