Want More Horse Events?

Not seeing horse-based events you would like to participate in? Check the calendar, find an open date and make it happen!

While riding is the focus of the club, we are having a hard time finding people to chair events. Current volunteers are putting together family friendly events for the community, but others are welcome too.

Spring Grass

How it Affects Horses & Ponies (by Maggie Carty)

Key Takeaways:

- Spring grass is fresh forage that can be a great source of nutrition for horses and ponies, but monitoring how much and how often they graze is critical.
- Careful management of grass intake, including time of day of turnout, helps lower chances of digestive upset and colic.
- A good muzzle, like the [Flexible Filly Slow Feed Grazing Muzzle](#), can limit how much grass your horse can access.
- Horses should be gradually introduced to spring grass to reduce the [risk of laminitis](#) or other digestive issues.

• How Does Spring Grass Affect Horses?

- Overconsumption of spring grass can cause colic, laminitis, or other serious health issues that require prompt veterinary attention.
- This is because lush spring grass contains much higher levels of sugar and carbohydrates than dried hay, as well as increased amounts of certain minerals like potassium. These can lead to digestive issues if the horse consumes too much.

Approved Minutes from March 12, meeting

Shoreline Riders, Inc : Club Meeting, Tuesday, March 12th, 2024.

Meeting Called to Order: The meeting was called to order at 6:40 PM.

Officers present: Shawnea Bowman (President), Aura Johansen (Vice President), Tina Griffin (Secretary), Janet Meacham (Secretary). Board Members present: Carol Becker, Kymberlee Nelson, Sean Wooden, Lauren Masterson, Melissa Smith, Sarah Rosetto, and Kim Celeri. Board members not present: Jill Rexrode.

Approval of Last Month's Minutes: The minutes from February 20th, 2024 were read by Tina. Janet made corrections. Aura motion, and Carol 2nd to approve the minutes. Motion Approved.

Officer Reports:

Treasurer (Janet): The checking/savings report from 02/19/24 to 03/11/24 was read by Janet. The beginning balance was \$16,377.70 and ending balance was \$17,933.25. More membership dues came in, and several bills were paid. Motion to approve by Sarah, Kim 2nd. Motion approved.

Memberships: A few returning members have still not paid their dues. Please pay ASAP so Janet can create the 2024 membership list. We should have an upcoming bill from George Peterson Insurance when we get an insurance quote. Motion to approve the budget by Tina, Aura 2nd. Motion was approved.

Committee Reports:

Playday Committee: Skylar emailed out draft Playday entry forms for 2024 prior to the meeting. They were reviewed and discussed. Skylar motion, Kim 2nd, to approve them. Motion was approved.

Protest Committee: Carol reported that no protests had been received.

Shoreline Queen/Wangler Committee. Skylar has developed her ideas for a stand alone Queen Contest. Date to be decided since we will probably not have a Rodeo, the date can be flexible. The actual contest would take place all in one day. The Queen would be required to attend a few events once crowned to help publicize our club. Aura motion, Carol 2nd to approve the presented Queen Contest event. Motion was approved. Skylar would also like to start a Queen Facebook page for the purpose of getting coverage of the SRI Queen contestants and SRI club. Carol motion, Aura 2nd to approve the creation of a SRI Queen Facebook page.

Old Business:

Lock on Side Gate: Sean added a new lock to side gate. Combo is 4849.

Calendar for 2024. A draft calendar had been created, a few dates may still change or events added but it was approved as is in order to get something out to the club members. Carol motion, Sean 2nd. Motion approved.

New Business:

Clubhouse rental: Nicole and Janet would like to rent the clubhouse for a baby shower June 1st. It was agreed they can rent the clubhouse for no cost with proof of insurance. Aura motion, Sean 2nd. Motion approved.

Standing Committee Rules and Description: Carol would like to have a short written description for every committee we could have as a club. She presented a list of committees that do not have a description in our current Rules. Also, there was one committee that was no longer needed.

Discussion of Carol’s request concluded that all committees, regardless of current year use should have a description, we could just consider them inactive. A discussion to include a generalized paragraph covering the duties of the Committee Chairperson and the Committee Members was not followed up on.

The Board is invited to bring a short description for the following committees at next month’s meeting:

- | | |
|------------------------------|--------------------|
| Color Guard/Parade | Drill Team |
| Newsletter | Concessions |
| Poker Rides | Cattle |
| Sweatshirts | End of Year Awards |
| Clubhouse Supplies Publicity | |

Correspondence: No correspondence.

Non Agenda Items:

SRI Needs Funds, Our Ability to Raise Money, Use of the club for other Activities

A group discussion was held again on how to raise funds for our club in light of not being able to afford a Rodeo. Ideas that include activities on non-horse events such as renting out the clubhouse for weddings have certain drawbacks due to excessive noise and traffic. Neighbors have already complained once. Skylar has an upcoming Project Now kids activities through the local Police Department that could add young members to the club through horse activities. Insurance is available through the Project Now, and Skylar has insurance. Participants would visit the arena with Skylar 1-2X week for 6-8 weeks. We agreed participants could pay regular membership dues and skip the initial add on fee for the first year. Once SRI has insurance coverage again we will revisit approving this idea.

Quarter Pot Draw: There was no quarter pot draw.

The next meeting is on April 9th, 2024.

The meeting was adjourned at 7:49 PM. Minutes respectfully submitted by Tina Griffin.
