## *Here is the latest....*

Things are starting to shape up at the arena thanks to the club hiring Oscar's gardening service.

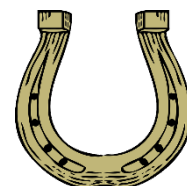

The Board voted to install a lock box on the sprinkler systems control box. The board made this decision because the system is being incorrectly turned on which interfered with the sprinkler timers.

The Miss Shoreline Riders Pageant is moving right along, and the contestants are doing well with raffle tickets sales. There are a lot of great prizes to win so make sure you contact the contestants and buy some tickets. The contestants will be using the arena for practice on June 30<sup>th</sup> during the middle of the day from around noon to 3 PM.

## *Thank You!*

Thank you Sean Wooden for fixing the water heater in the club house!

Also, thank you Tina Griffin for sending the letter to the Jackson State Forest for the Roundhouse Horse Camp proposal.

*Remember to visit our website  
for the Events calendar!*
