## DATES TO REMEMBER:

Mar 29	Arena Tractor Training 5 p.m.
April 9	Monthly meeting 6:30 p.m.
April 29	Mock Show 9 a.m.

**Welcome to our new Board Of Directors:** Thank you all for stepping up to the plate to take on the management of our club for 2019. Our new officers and Board Members are:

President: Jill Rexrode

VP: Aura Johansen

Secretary: Barbara Johnson

Treasurer: Janet Meacham

Board Members Carol Becker, Shawnea Bowman, Cheryl Gardner, Emily Pendergrass, Kim Celeri and Phyllis Arreguin. Junior Member: Lily Arreguin.

Alternante members: Stacey Anderson and Ellen Campbell.

If you have any questions, issues or need information please feel free to contact any of these people for help.

**Wi-Fi and phone:** We now have wi-fi installed and a new phone. Our new phone number is **(707) 813-3017**. There is a base phone by the TV and wi-fi box and a cordless handset in the hallway. Please do not turn off or disconnect the wi-fi as this is the only way the phone works.

**Arena Maintenance:** Emily and Drew are hosting an Arena Maintenance crew training Friday March 29<sup>th</sup> at 5 p.m. Any and all who can help with the task of regular maintenance grooming and/or for event readiness please come and get checked out on the equipment and learn the proper drag patterns for our specific arena layout. Thanks Emily and Drew!

**MAINTENANCE:** We have approved getting additional loads of sand and doing some patch work

on the base as soon as we can get the proper weather to do so. Meanwhile please remain cautious about the conditions before riding: If there are several puddles of standing water the arena is closed. If the sand is squishy spongy wet please limit to light riding only, no spins, turnout, barrels, etc. With good grooming and a couple days of good weather it dries out pretty quickly but we need to take care of our assets. Please avoid the coned off areas as the footing is thin and the base is getting eroded with use. Thank you all.

**Guest Speakers:** In February Dr. Kendall Willson came and presented a very informative talk regarding EPM, its causes, signs and treatments. We look forward to future presentations. If you have a topic that you would like to learn more about please let Janet or Stacey Anderson know and they will try to schedule another presentation.

**Obstacle Clinic and Series:** Russ Mullins was a guest at our March meeting. He came to discuss our obstacle clinic and Buckle Series challenge scheduled for the fall. There will be a one day clinic and three challenges in the series. Russ expressed his family's extreme gratitude to our club members for the out pouring of support during their traumatic escape and recovery from the Camp Fire.

Our calendar of events is attached and available on the website as well.

**Trail Ride:** We need a chair or co-chair for the trail ride. We have food people and trail people but we need someone to manage camp set up and entertainment and someone for entries as two main jobs.

**Rodeo:** We are starting to get a crew together. One thing our contract calls for is 3-4 able bodied strong people to work ground crew at the stripping chutes. Please let Janet know if you can help with this.

Stay tuned next month for entry forms - lots of events coming soon! Send news info to [meacham@mcn.org](mailto:meacham@mcn.org)
